

International Seminar on “Ensuring Environmental Sustainability Related to Millennium Development Goals”

November 23rd-25th, 2011

Universitas Trisakti
Jakarta, Indonesia

www.pplh-usakti.net/ise2srmdgs

INTRODUCTION

In order to support the MDGs program especially that related to the goal 7 which is to ensure environmental sustainability, it is necessary to develop interdisciplinary network. To achieve this objective, Universitas Trisakti will hold an International Seminar on “*Ensuring Environmental Sustainability Related to Millennium Development Goals*”.

This seminar consists of 2 (two) days scientific session which will be held at Hotel Menara Peninsula, Jl. Jenderal S. Parman, Jakarta and 1 (one) day sightseeing/recreation program.

OBJECTIVE

To mediate discussion forum in science and technology among local and overseas experts

TARGET

Speakers and participants from government, private, academic and related organizations

MATERIAL

Seminar material includes issues related to MDGs of various disciplines with topics

- Sustainable development issues,
- Preventing loss of environmental resources,
- Availability or access to healthy drinking water,
- Urban shanty town community development.
